Bettelyoun asked for approval to repair a tractor, estimated to cost \$1,200.00. Discussion was held on other possible vendors for the repair. Motion by Hagman, seconded by White Hawk, to approve the repair of the John Deere tractor by Modern Farm at an estimated cost of \$1,200.00. With no further discussion and all voting yes, the motion carried.

Ganje expressed her thanks to Bettelyoun and his department for assistance with delivery and pick up of election supplies, as well as work to make the Singing Horse Trading Post handicapped-accessible.

OJ Semans, 4 Directions, met with the Board to follow-up on a request from Oglala Sioux Tribal President John Yellow Bird Steele to provide early voting on weekends and holidays during the six weeks prior to the 2012 General Election. Kehn reiterated comments Wendell Yellow Bull voiced at a previous meeting that those days are for employees to spend with family. Kehn also noted that voters are legally guaranteed an hour off work to go vote and that he doesn't feel voters are disenfranchised. Hutchison stated that she did not want to ask staff to work those additional days and noted that only 46 voters took advantage of early voting for the 2012 Primary. Jean Belt, Lakota Election Coordinator, expressed concern that workers would not want to work weekends. Hutchison noted that attorney Sara Frankenstein was still researching the legality of weekend voting.

Semans suggested leaving the matter on the table until the July meeting; Ganje could estimate the additional costs associated. Motion by Hutchison, seconded by White Hawk, to respectfully decline President Steele's request to offer early voting on weekends and holidays during the six weeks prior to the 2012 General Election. With no further discussion and all voting yes, the motion carried.

Jean Belt provided the Board with a post-Primary Election report that included problems with interpreters not showing up to work, which also meant that two precincts didn't have anyone present who was trained on the Automark machines. Belt also spoke of her attempt to attend District meetings but found some were not held or were rescheduled without informing her. Auditor Ganje spoke of changes in the training of the use of the Automark that will be implemented for future elections, provided a report and gave thanks to staff and poll workers for their assistance.

Motion by Hutchison, seconded by Hagman, to approve the bills as follows. With no further discussion and all voting yes, the motion carried.
