Jim Sword, State's Attorney, was present at this time along with Patrick Ginsbach, Deputy State's Attorney.

Sarabeth Donovan, Department of Justice met with the Board to discuss the election process. New Coordinator job was discussed and it was brought up that Steve Hawk Sr. would be a very good one, as Francis Pumpkin Seed is resigning as Coordinator.

Donovan praised Francis Pumpkin Seed for his effort on the program and that even with difficulties Donovan said things were working well; signs, radio and paper were very good. Discussion was had on different precincts and some of the problems Donovan saw on machines. Donovan said Coordinator needs to go around to precincts and check on voting machines and see if there are any problems.

Memorandum of Agreement was discussed and gone over to try to cut down on budget and that only the Coordinator should be paid along with mileage. Only one or two meetings per week should be done in the weeks prior to the election. Coordinator should only work 5 weeks before the election and the week of the election to get final paperwork done.

Wendell Yellow Bull spoke on copier from Fall River to Shannon for \$400.00 and asked why they had to pay \$400.00 for it. Jim Sword explained how the copier was fixed and surplused, the company that it was purchased from would either take it back or the County of Fall River could sell it for \$400.00. Since Shannon was in need of a copier, it was sold to Shannon County.
