RE: Appointments to the Oglala Lakota County Local Emergency Planning Committee.

Dear Ms. Takes The Shield:

The South Dakota State Emergency Response Commission (SERC) is contacting you regarding the Oglala Lakota County Local Emergency Planning Committee (LEPC). The formation of an LEPC is required under Title III of the federal Superfund Amendments and Reauthorization Act, also known as the Emergency Planning and Community Right-to-Know Act of 1986.

The LEPC is responsible for ensuring Oglala Lakota County has an emergency/hazardous materials response plan and keeps the plan up to date. The April 17, 2013, ammonium nitrate fertilizer explosion in West, Texas is an example of why it is important to plan the local response to emergency events. An active and informed LEPC can also play an important role when it comes to setting training goals for local responders, coordinating training exercises, providing assistance to businesses that report chemical storage, and providing information to the public.

When a county does not submit a membership roster, the SERC appoints members to serve as the LEPC for that county. These appointments are as follows:

- Oglala Lakota County Commission, all members;
- Oglala Lakota County Sheriff;
- Oglala Lakota County Emergency Manager; and
- Oglala Lakota County States Attorney.

The chair of the county commission shall serve as chair of the LEPC.

This appointment will remain in effect unless the county submits an alternate roster, assigning additional or different members to the LEPC. Should you wish to designate a different chairperson or change the membership, please submit a membership roster to the SERC.

Before you submit a roster, please note federal requirements specify LEPC membership should include one or more representatives of each of the following organizations/groups:

1. Elected state or local officials;
2. Law enforcement personnel;

3. Emergency management coordinators;
4. Fire service representatives;
5. Emergency medical personnel;
6. Health and/or hospital representatives;
7. Local environmentalists and/or other interested citizens;
8. Transportation personnel;
9. Broadcast or print media representatives;
10. Community groups; and
11. Owners or operators of facilities that use and store chemical.

In a rural county with a limited number of available volunteers, one person may represent multiple organizations/groups. It may not be possible to fill all the membership slots, particularly if no representative of an organization/group resides in the county or if the sole representative does not wish to participate. If this happens, simply include a short statement with the roster form.

Should you need assistance or have questions please feel free to contact Kelsey Newling via e-mail at [kelsey.newling@state.sd.us](mailto:kelsey.newling@state.sd.us) or by calling 800-433-2288. We look forward to working with you.

Sincerely,

Dustin Willett

Dear Commissioners:

I would like to take this opportunity to thank you for supporting Behavior Management Systems in the past. To allow us to continue to provide the current level of service, we are requesting \$7,500 for this budget year from your county. Please note that this is less than the \$1 per capita (13,672 per the estimated 2020 population census) in accordance with the requirement set forth through SDC 27A-5-10.

These funds help to provide community mental health services to residents in Oglala Lakota County. During the first nine months of our fiscal year (July 1, 2021 to March 31, 2022), we have served 76 clients from Oglala Lakota County. Approximately 43% of these clients have an annual family income of 20,000 or less; 55 persons are children under the age of 18; and the remainder are adults. Your subsidy will assist us in continuing to provide services to these individuals still receiving services, as well as other Oglala Lakota County residents in need of future services.

I have enclosed information regarding our programs and services. If you have any questions regarding these services or any other questions about Behavior Management Systems, please call me at our Elk Street office. We welcome the opportunity to attend a meeting, at your convenience, to further explain our services.

Support from your county is critical for us to maintain needed services.

Best Regards,

Linda Reidt Kilber  
CEO
