24013 OLCH Aggregate Production 2023 Award Recommendation Letter.pdf; C-510 Notice of Award_24013 OLCH Agg Production.pdf;

Good afternoon Sue and Lynx. Attached is an award recommendation letter for the 2023 Aggregate Production project. Please have these documents in the commission packet. As you probably can tell from an earlier email sent to 63 Industries, we are trying to award and then sign contracts at the same commission meeting. Please have the commission award the project and then once they review the contracts and ensure we have the payment bond, performance bond, and insurance documentation, they can sign the contracts. Commission needs to award the project first.

Once we have signed copies of the Notice of Award, please distribute that back to Banner and 63 Industries. Electronic copy is fine.

Once all three copies of the contracts are signed, please just email me electronic copies for our files.

Thanks and let me know if you have any questions.

New National Opioids Settlements: Teva, Allergan, CVS, Walgreens, and Walmart
Opioids Implementation Administrator
opioidsparticipation@rubris.com

Oglala Lakota County, SD
Reference Number: CL-391176

TO LOCAL POLITICAL SUBDIVISIONS AND SPECIAL DISTRICTS:

THIS PACKAGE CONTAINS DOCUMENTATION TO PARTICIPATE IN THE NEW NATIONAL OPIOID SETTLEMENTS. YOU MUST TAKE ACTION IN ORDER TO PARTICIPATE.

Deadline: April 18, 2023

Five new proposed national opioid settlements (“*New National Opioid Settlements*”) have been reached with **Teva, Allergan, CVS, Walgreens, and Walmart** (“*Settling Defendants*”). This *Participation Package* is a follow-up communication to the *Notice of National Opioid Settlements* recently received electronically by your subdivision or special district (“*subdivision*”).

You are receiving this *Participation Package* because South Dakota is participating in the following settlements:

- **Teva**
- **Allergan**
- **CVS**
- **Walgreens**
- **Walmart**

If a state does not participate in a particular Settlement, the subdivisions in that state are not eligible to participate in that Settlement.

This electronic envelope contains:

- *Participation Forms* for Teva, Allergan, CVS, Walgreens, and Walmart, including a release of any claims.

The *Participation Form* for each settlement must be executed, without alteration, and submitted on or before April 18, 2023, in order for your subdivision to be considered for initial participation calculations and payment eligibility.

Based upon subdivision participation forms received on or before April 18th, the subdivision participation rate will be used to determine whether participation for each deal is sufficient for the settlement to move forward and whether a state earns its maximum potential payment under the settlement. If the settlement moves forward, your release will become effective. If a settlement does not move forward, that release will not become effective.

Any subdivision that does not participate cannot directly share in the settlement funds, even if the subdivision's state is settling and other participating subdivisions are sharing in settlement funds. Any subdivision that does not participate may also reduce the amount of money for programs to remediate the opioid crisis in its state. Please note, a subdivision will not necessarily directly receive settlement funds by participating; decisions on how settlement funds will be allocated within a state are subject to intrastate agreements or state statutes.

You are encouraged to discuss the terms and benefits of the *New National Opioid Settlements* with your counsel, your Attorney General's Office, and other contacts within your state. Many states are implementing and allocating funds for these new settlements the same as they did for the prior opioid settlements with McKesson, Cardinal, Amerisource, and J&J/Janssen, but states may choose to treat these settlements differently.

Information and documents regarding the *New National Opioid Settlements* and how they are being implemented in your state and how funds will be allocated within your state allocation can be found on the national settlement website at <https://nationalopioidsettlement.com/>. This website will be supplemented as additional documents are created.

How to return signed forms:

There are three methods for returning the executed *Participation Forms* and any supporting documentation to the Implementation Administrator:

- (1) *Electronic Signature via DocuSign*: Executing the *Participation Forms* electronically through DocuSign will return the signed forms to the Implementation Administrator and associate your forms with your subdivision's records. Electronic signature is the most efficient method for returning *Participation Forms*, allowing for more timely participation and the potential to meet higher settlement payment thresholds, and is therefore strongly encouraged.
- (2) *Manual Signature returned via DocuSign*: DocuSign allows forms to be downloaded, signed manually, then uploaded to DocuSign and returned automatically to the Implementation Administrator. Please be sure to complete all fields. As with electronic signature, returning manually signed *Participation Forms* via DocuSign will associate your signed forms with your subdivision's records.
- (3) *Manual Signature returned via electronic mail*: If your subdivision is unable to return executed *Participation Forms* using DocuSign, signed *Participation Forms* may be returned via electronic mail to opioidsparticipation@rubris.com. Please include the name, state, and reference ID of your subdivision in the body of the email and use the subject line Settlement Participation Forms - [Subdivision Name, Subdivision State] - [Reference ID].

Detailed instructions on how to sign and return the *Participation Forms*, including changing the authorized signer, can be found at <https://nationalopioidsettlement.com>. You may also contact opioidsparticipation@rubris.com.

The sign-on period for subdivisions ends on April 18, 2023.

If you have any questions about executing these forms, please contact your counsel, the Implementation Administrator at opioidsparticipation@rubris.com, or Charles McGuigan at the South Dakota Attorney General's Office at Charles.mcguigan@state.sd.us or (605) 773-3215.

Thank you,

National Opioids Settlements Implementation Administrator

The Implementation Administrator is retained to provide the settlement notice required by the respective settlement agreements referenced above and to manage the collection of settlement participation forms for each settlement.

Hello, Bobbie, I hope you are having a good Friday!

Bobbie, Sophia and I are so sorry for any inconvenience we may have caused you, and appreciative for all the time you and Sue invested in preparing the contract; as well as your generous offer of renting the poll pads to our school district and providing the technical assistance you had planned to provide.

However, our Business Office has decided that we will respectfully decline entering into the rental agreement/contract, and will proceed with conducting our June 6th school board election as in previous years.

We will make every effort to advertise to our resident voters that they must adhere to the rule of voting in the precinct they are registered in.

Again, we appreciate all you have done, and look forward to working with you in the future.

Have a wonderful week-end!

Just checking in with you regarding the contract. Have you had a board meeting yet to approve the contract? Kind of wanting to make sure that everything is a go before I start prepping and keeping dates open, etc.

To whom it may concern:

Several months ago, the Oglala Sioux Tribe recorded a deed from the Episcopal Church of South Dakota. I was asked to provide information approving this project from the Oglala Sioux Tribe. Attached is a letter from the Chairman of the OST Land Committee and from the OST Land Committee. I am sorry this is so late in coming but I received the motion from the OST Land Committee this past week.

I hope this is helpful to you and the committee.

Respectfully,

RE: ECHAGA CORPORATION AND THE EPISCOPAL CHURCH, PINE RIDGE, SD

Dear Gary,

As Chairman of the Oglala Sioux Tribe Land Committee, please accept this letter as authorization for you to continue to work with Mr. Mitch Honan, representative for the Episcopal Church.

After our recent meeting at the ECHAGA Office, I feel positive that we will be able to have the Episcopal Church donate the land in Pine Ridge back to the Oglala Sioux Tribe. If they decide not to do so, we always have the option to have the land returned to the Tribe by legal action.

Please keep me and the OST Land Committee updated as to the progress on this very important project.

Sincerely,

Michael Carlow, Chairman
