Al Schaefer, SD State Legislative Audit, met with the Board to submit his report of the County Audit for 2020 and 2021. There were no written comments, but did comment on 2 funds with a negative balance on December 31, 2021. It is recommended that the County transfer funds to cover the deficit in the Emergency Management fund, which has since been discontinued. 2 Time sheets

were not signed by the employee and the supervisor, and 1 employee was overpaid 4 hours of overtime. The auditor noted that she would like some sort of electronic timeclock for employees. It is recommended that care be taken when figuring time worked for the calculation of wages due. One other item noted was that the County did not transmit to the State's Unclaimed Property Fund any outstanding checks that were older than one year, with Schaefer noting there are two laws pertaining to this in the codified laws, and the county is actively working on a resolution for approval.

Motion made by Bear Runner, seconded by Hopkins, to authorize Vice-Chairwoman Comer to sign the Audit Exit Letter.

Motion made by Yellow Bull, seconded by Hopkins, to table the request for funding in the amount of \$10,000.00 for the Oglala Lakota Nation Fair and Rodeo Pow Wow from Tyler Yellow Boy, Chairman of 2023 Oglala Lakota Nation Fair and Rodeo until he is present via telephone.

Anna Takes the Shield (Dubray) left the meeting at 1:44 pm.

Lynx Bettelyoun, Highway Superintendent, met with the Board to discuss the purchase of a snowblower that attaches to a front-end loader that had previously been approved but had been backordered. There was also discussion regarding the reimbursement that was received from the State and from FEMA. Approximate amounts equaled \$9,611.78 for both.

Motion made by Bear Runner, seconded by Yellow Bull, to approve payment to Fair Manufacturing for Snocrete model 948D snow blower in the amount of \$162,318.00 and \$1,000.00 for freight to ship to Batesland.

Discussion continued with Bettelyoun regarding a plan for construction of a new Highway Shop to also be used by the County Sheriff and the Veteran Service Office. Having a feasibility study done was recommended to help start the planning process, with Yellow Bull suggested contacting the SD School of Mines and Technology to see if the Engineering students could do it pro-bono as part of their college credits. Bear Runner suggested that Bettelyoun go to Morton Buildings to inquire about drafting plans for the proposed building.

Motion made by Yellow Bull, seconded by Bear Runner, to go to Morton Buildings in Rapid City to have them sketch out a proposed Highway Building.

Bettelyoun provided updates to the Board, which included blading, mowing and servicing equipment. Yellow Bull asked that the 13 miles of Grass Creek Rd be put back on the County System for families with school aged kids to use. Bettelyoun will bring back estimated costs to do so at the next meeting.

Takes the Shield (Dubray) re-entered the meeting via telephone at 2:15.

Hopkins noted that he would like to see Department Heads attending the Commissioner meetings, especially when they have a report or a request for travel. A notice should go out regarding this issue.

Motion made by Hopkins, seconded by Bear Runner, to accept Resolution #2023-07 with the change of “General Fund monies at a total cumulative amount up to” instead of the word “of”, to read as follows:

OGLALA LAKOTA COUNTY RESOLUTION #2023-07

Bear Runner addressed the Board to speak on behalf of the Oglala Lakota Housing Authority regarding a change that OLHA would like to make by entering into an MOU with Behavior Management Systems regarding services to low income families. BMS sent them a proposal to assist with this. OLHA is requesting that the County contribute \$100,000.00 for the first year to help get things started. Bear Runner will bring this back to the next meeting with a presentation along with BMS. Discussion on some possible alternatives occurred.

Teresa Pullen, Treasurer, met with the Board to discuss Delinquent Property Tax payment plans, and Pullen requested they now be called Delinquent Tax Assistance. She provided samples of applications for individuals to fill out and recommended that the County follow the same guidelines as they do for County Assistance, which is based on the Federal Income Poverty level each year. She also was asking for guidance from the Board about certain criteria for being eligible for applying, including residing requirements, limits to the amount owed on back taxes, requirements on if the assistance should be for houses only or include vacant land, and time limits get the delinquent taxes current, noting that current taxes need to be kept current for the payment plan to remain in place. After discussion with the Board, Pullen noted the suggestions and will come to the next meeting with a proposed application form for them to review for approval.

Sue Ganje, Auditor, met with the Board to review the 2024 Provisional budget.

Motion made by Yellow Bull, seconded by Hopkins, to approve the 2024 Provisional budget. With discussion following. Yellow Bull asked for a 1-year only increase to the amount for attending the meetings, from \$25.00 to \$35.00. He also asked that the Commission salary be figured at \$500.00 per month in the '24 budget.

The Commissioners provided a brief report from the Human Trafficking workshop in Pierre. They attended the first day.

Vanessa Plume, Sheriff, met with the Board to provide her report from the entire training on the Human Trafficking workshop in Pierre. She stated that the information that was presented regarding the Dark Web was very informative. Social Media, code words, and other items were also discussed.

The Memorandum of Agreement between Prairie Wind Casino of the Oglala Sioux Tribe on the Pine Ridge Indian Reservation and Oglala Lakota County was discussed. State's Attorney Russell and Plume had gone through it and a few changes were made. The Board wants it to go back to the Tribe to be signed. Then Plume will bring it back for the Commissioner's signature.

There was discussion regarding jurisdiction between Tribal Law Enforcement and County Law Enforcement. Plume is still actively looking for a deputy. She also asked the Commissioners for their endorsement for her to talk to Tribal Law Enforcement to better work together and provide continuity in law enforcement.
