Hi Ray,

Here is some information I hope will be helpful to you.

"County commissioners are a county's key policymakers, overseeing the operation and administration of the county. Commissioners are the elected officials of a county's legislative branch. the County Board of Commissioners, serving in a similar role as a city councilmember or a state representative or senator."

The County Commissioners have the authority to make decisions without having to get permission from a City Council as County Commissioners are higher in authority than a City Council.

The Treasurer does not need to see if decisions, already made and voted on by the County Commissioners is okay with a City Council, the Batesland School or anyone one else.

The Commissioners are elected officials with the Authority to make the decision to wave any or all interest you have been accessed.

Not sure why the Treasurer has a problem with their decision. It is his/her job to follow the decisions of the Commissioners.

I would call and question the Treasurer on this! Was she directed to do this by the County Commissioners? Or is she just taking it upon herself to do it?
Ask her who the Chair of the Board of Commissioners is and seek that person's phone number.
Then call and let the Chair of the Board of Commissioners know your feelings about the Treasurer revealing your personal situation to the public, to people in the community where you live, and how uncomfortable you are with those people knowing your business.

My best wishes are with you on this endeavor.

Edson Briggs parcel # 80000-00200-00100

Sophia,

I am writing to you today in regards to a parcel of property in Batesland owned by Edson Briggs, parcel # 80000-00200-00100.

This parcel of property is currently behind in property taxes dating back 1988 to 1995. The home was originally owned by Grace Briggs the mother of Edson and upon her passing Edson took over the property and back taxes. Edson Briggs has been on a payment plan since approximately 2018 and has always made his payments on time each month in the amount of \$50.00 per month. The payment amount of \$50.00 barely covered the interest that accrued each month on this property and his 2nd property. The amount he has been paying is doing nothing for the taxes but putting him in a deeper hole of debt. He has brought his 2nd parcel completely up to date in taxes and is continuing to bring this parcel current. He was able to obtain a large amount of funds through the housing assistance program and just recently applied \$14,024.94 towards his taxes.

Total taxes with interest now owing is \$11,897.83 of that amount \$9,044.47 is interest and \$2,853.36 is actual tax on the property.

I am asking that the School District, the Town of Batesland and the County Commissioners waive the back interest which is a total of \$9,044.47 so that Mr. Briggs can catch up the remaining outstanding tax of \$2,853.36. The breakdown of the interest I am requesting would be waived as follows according to the mill levy %:

Town of Batesland: \$2,713.35
Oglala Lakota County: \$2,713.35
School District: \$3,617.79

If Mr. Briggs was to continue the payment plan of \$50.00 per month just on the back taxes and interest (interest is added monthly) it would take him approximately 23 years to pay this off.

The above request is not something I have done in the past or probably will ask of in the future on any other property. This is a unique situation where an individual has been diligently working on paying the back taxes and always in communication with me since I took over as County Treasurer.

Please let me know if the school district would consider waiving the back interest on this parcel as a one time deal.

If you have any questions or concerns feel free to reach out to me. I will also be sending this same request to the town of Batesland and presenting it to the Oglala Lakota County Commissioners at the June 10th commissioner meeting.

Thank you for your time.

Sophia,

I spoke to the Oglala Lakota County Commissioners at their last meeting June 7th and if all entities (School & Town of Batesland) agree to waive their portion of the interest the Oglala Lakota Commissioners will waive the County portion. Would it be beneficial for me to attend the School Board meeting?

I sit on the Board for the Town of Batesland also. We had a meeting last night. Mark Donovan said he didn't get a response, so it was tabled.

I don't think you need to attend the School Board meeting. Connie, what are your thoughts?

[EXT] ORC/County Discussion Meeting Follow-Up

County Data Collection v1.xlsx;

This email is being sent to all Auditors and Commission assistants.

Good afternoon,

Over the past few years, there has been discussion regarding counties being able to participate in the state's Obligation Recovery Center (ORC) program. Representative Weisgram (Dist 24) and various others held a meeting with Reliant Capitol Solutions, the company involved in the state collection program a few weeks ago. This does require some legislative changes among other things.

In order to see if this is a viable option for counties, Reliant is requesting the below information. If your county is NOT interested in partnering in the ORC program should it become available, simply respond as such and return the survey. For those counties interested, there is also a spreadsheet attached to give them a better understanding of the debt your county is dealing with.

1. What County are you responding on behalf of?
2. Is your County interested in using the Obligation Recovery Center (ORC) to assist with the collection of bad debts?
3. Do you currently contract for debt collection?
 - a. If yes, with what entity?
 - b. Can you share what the terms of your arrangement with your debt collection entity is?
4. Are there any county specific business rules/statutes that could affect debt collection?
 - a. Do any debts have judgments?
5. Are you able to provide the following data electronically for all debts you wish to refer?
 - a. Responsible Party Name
 - b. Your Case Number/Identifier for the Debt
 - c. Nature of Debt/Type of Debt
 - d. Date Debt Incurred
 - e. Date of Default
 - f. Referred Debt Amount
 - i. Principal
 - ii. Interest
 - iii. Fees
 - g. Last known address
 - h. Last known phone number(s)
5. Will you be able to track which debts are assigned to the ORC, and if you accept direct payments for accounts assigned to the ORC, account for the additional fees which will be payable to ORC?
6. Are you able to assign a point person to manage the relationship between your county and the ORC?

Thank you for your time and efforts on this project.

Subject: ORC/County Discussion Meeting Follow-Up

Good afternoon Representative Weisgram, Roger, Kris and Gary,

As a follow-up to our previous discussion, my colleagues and I have compiled a preliminary list of survey questions and created a spreadsheet for counties to provide portfolio-specific data. We feel this survey, along with the requested data will help us better understand the types of debt to be collected, as well as the aging and potential volume.

I have incorporated feedback from Steven Kohler and am now forwarding along for the group's input at his request. We look forward to your feedback.

Sincerely,

Upcoming Vacation

Good morning TJ. I apologize for not getting the information you requested on ARPA expenditures. Still digging out from the Primary Election but will work on getting that to you. The Monday agenda will be posted today, but due to the Holiday it is too late to add items. You are of course welcome to speak during public comment. Please see the agenda after it is posted for the call in number. Below are the rules for agenda items.

Agendas are finalized 24 hours prior to the meeting and will then be posted on the website. Contact the Auditor at 605-745-5130 by Wednesday at 4:00 pm (the week prior to the meeting), if you have an item to add to the agenda.

With the holiday yesterday, requests would have needed to be in by Tuesday at 4:00.

I will forward this email to Lance Russell, State's Attorney, or you can of course contact his office at 605-745-3866.

Thank you,

Sue Ganje
County Auditor

Subject: [EXT] OLCountry Agenda

Dear Sue,

I requested that your office provide an expenditure report for the ARPA funds we still never received. Please put Alpha One down on Monday's agenda, we will be attending via teleconference as we are not paid to travel to such great lengths to have Wendell Yellow Bull continue his disrespect and unethical behavior.

I would also like State Attorney Lance Russell to contact me regarding my complaint against Wendell Yellow Bull for his egregious behavior as an elected county official.

Thank you,

TJ Plume
